Description

Cybernautt Universal Travel Adaptor Model AX02 – The Ultimate Travel Companion for Global Charging

Stay powered up anywhere in the world with the Cybernautt Universal Travel Adaptor Model AX02—a compact, high-performance charging solution designed for modern travelers. Whether you're on a business trip, vacation, or daily commute, this all-in-one adaptor ensures seamless charging for all your devices, including smartphones, laptops, tablets, and more.

Key Features:

- ✓ **Universal Compatibility** – Works with all devices, including Android phones, iPhones, MP3/MP4 players, laptops, and other USB-C compatible gadgets. No matter where you travel, the AX02 keeps your devices charged.
- ✓ **Fast Charging Technology** – Equipped with QC3.0 and PD 3.0 support, delivering ultra-fast charging speeds with an output of 5V-2.5A. Say goodbye to long charging times!
- ✓ **Dual-Port Convenience** – Features 1 x USB-C and 1 x USB port, allowing you to charge two devices simultaneously without compromising speed or efficiency.
- ✓ **Worldwide Voltage Support** – Handles 100-240V AC input, making it perfect for international travel. Whether you're in the USA, Europe, Asia, or Australia, this adaptor works flawlessly.
- ✓ **Premium Safety Materials** – Built with fireproof PC material and high-quality ABS casing, ensuring durability, heat resistance, and protection against short circuits, overcharging, and overheating.
- ✓ **Compact & Travel-Friendly** – Designed for portability, the sleek black finish fits easily into your backpack, suitcase, or pocket, making it the perfect travel essential.

Why Choose Cybernautt AX02?

All-in-One Charging Solution – No need to carry multiple adapters; this single device covers all your charging needs.

High-Speed Power Delivery – Charges your devices faster than standard adapters, saving you time.

Reliable & Safe – Built with advanced safety features to protect your valuable electronics.

Stylish & Durable – A sleek, robust design that withstands frequent travel use.

Whether you're a frequent flyer or an occasional traveler, the Cybernautt Universal Travel Adaptor Model AX02 is your go-to charging companion. Never run out of power—stay connected wherever you go!

Order yours today and experience hassle-free global charging!

🔌 **Compatible with: Smartphones, Tablets, Laptops, Power Banks, Bluetooth Devices & More!**
