

MULTI TOOL

A versatile and durable multitool designed for various cutting, sawing, and sanding applications, offering professional-grade performance and reliability for both DIY enthusiasts and professional contractors.

USAGE OF MACHINE

Pole Saw

Grass Trimmer

Hedge Trimmer

FEATURES

BETTER AXLE AND MOTOR CONNECTIVITY THAT RESULTS IN LOW VIBRATION

The Bonhoeffer Multi Tool Model - BON-P-MT45 boasts an advanced axle and motor connectivity system, significantly reducing vibrations during operation. This innovation ensures a smoother, more comfortable user experience, allowing for precision and ease in handling even the most demanding tasks.

SUPERIOR SPARK PLUG STRUCTURE FOR ENHANCED POWER

Equipped with a superior spark plug structure, the BON-P-MT45's engine delivers 30% more power compared to traditional motors. This enhancement provides the tool with exceptional performance, making it ideal for heavy-duty applications and ensuring tasks are completed efficiently and effectively.

DOUBLE LAYER AIR FILTER FOR EXTENDED ENGINE LIFE

The BON-P-MT45 features a double-layer air filter designed to protect the engine from dust and debris. This advanced filtration system extends the engine's life, ensuring reliable performance and reducing maintenance needs, ultimately saving time and costs for the user.

TECHNICAL SPECIFICATIONS

Engine displacement	44.8 cc
Engine power	2.5 hp
Engine Type	2-stroke, single-cylinder, air-cooled
Volumes of fuel tank	920ml
Shaft diameter	2.8 mm nylon thread
Nylon head line	Dia.3.0mm*4m
Nylon head cutting diameter	450mm
3T blade	Thickness 2.0mm
2T cutting diameter	305mm
Pole trimmer cutting length	24mm
Chain&Bar	Oregon 10"
Chain pitch	1/4"
Chain guage	1.3mm
Chain Oil tank capacity	125ml
Cutting diameter	254mm
Fuel:Oil	25:01
