More AI functions	Pets, vehicles, packages, etc
Network protocol	TCP/IP,HTTP,UDP,DHCP,DNS,NTP,RTSP,P2P,IPV4,IPV6 third party access protocols, etc
Wireless network	IEEE802.11b/g/n
Wireless security encryption	64/128-bit WEP/WPA-PSK/WPA2-PSK data encryption
Wireless connection method	AP hotspot, Scan QR code, Bluetooth
Reset key	Long press to restore factory settings
Indicator light	Dual color indicator lights together with voice prompt
Micro SD card	Supports Micro SD card (up to 256GB)
Alarm detection	Motion detection alarm, humanoid detection alarm
Rated voltage	DC5V, 1.5A
Power supply	TYP-C 5V/1.5A power supply
Operating condition	Temperature: -10~55°C; Humidity: <90%
Packaging list	Camera*1, TYP-C*1, manual*1, 5V1.5A-TYP-C adapter

Product Description

1. Get instant notifications with AI Motion Detection technology, stay alert and keep your home secure from anywhere with this advanced camera system.
2. Stay connected with your loved ones with the 2-Way Audio feature, communicate with ease using the built-in microphone and speaker.
3. Take control of your privacy with the Privacy Mode, easily toggle it on and off via the app for added security and peace of mind.
4. Never miss a thing, even in the dark, with the Night Vision feature providing 30 feet of reliable visibility for your home.
5. Capture every detail with crystal clear 2K ultra high definition resolution, ensuring a sharp view of your entire room for maximum security.
6. Stay one step ahead with instant notifications on your phone when any motion or flame is detected, keeping you alert and secure at all times.
7. Communicate with your family, kids, and pets from anywhere using the 2-Way Audio feature for convenience and peace of mind.
8. Protect your privacy with the advanced Privacy Mode, giving you complete control over the camera without the need to unplug it physically.
9. Keep your home secure day and night with the Night Vision feature providing 30 feet of clear visibility even in low light conditions.
10. Experience top-notch security with high-definition 2K resolution, ensuring every detail is captured for maximum protection of your home.
