Description

Best 6MP Solar-Powered Pan & Tilt Security Camera with Battery – Cybernautt X6B

Upgrade your security with the best AI-powered solar battery camera – the Cybernautt X6B. This 6MP HD solar 4G CCTV camera delivers crystal-clear surveillance with pan & tilt functionality, covering every corner of your property. Powered by solar energy and backed by a rechargeable battery, this outdoor camera ensures 24/7 uninterrupted monitoring without the need for frequent charging.

Key Features:

- 6MP HD Resolution – Enjoy ultra-sharp video quality day and night.
- Solar-Powered & Battery Backup – Eco-friendly, wireless, and always on.
- AI-Powered Security – Human detection, tracking, face detection, and customizable monitoring zones.
- Smart Alerts & Motion Detection – Instant push notifications on movement.
- Color Night Vision & IR Mode – Automatically switches for clear footage in low light.
- Pan & Tilt Control – 360° coverage via the V380 Pro app from anywhere.
- Two-Way Audio – Communicate remotely via built-in mic and speaker.
- 4G SIM – 4G SIM CCTV camera for remote access without Wi-Fi.
- 128GB SD Card & Cloud Storage – Secure footage with flexible storage options.
- Weatherproof & Built-in Siren – IP66 waterproof for all-weather protection.

Ideal for home security, industrial monitoring, and outdoor surveillance, the Cybernautt X6B solar SIM camera is the best wireless AI security camera with 4G connectivity. Whether you need home camera protection or business surveillance, this AI monitoring camera ensures smart, reliable security.

Technical Specification

Model Number	X6B
Special Features	Human Motion Tracking, Face detection, NIGHT VISION, Motion Detection, Sound Detection, Waterproof / Weatherproof, Built-in Siren, Two-way Audio
Sensor	CMOS
Camera	3MP+3MP
Function	PAN-TILT, RESET, Built-in Mic, NIGHT VISION, Waterproof / Weatherproof, Built-in Siren
Data Storage Options	128GB SD CARD, Cloud Storage
Video Compression Format	H.265
Application	Outdoor
Product name	X6B
Place of Origin	China
Night vision	Color Infrared Night Vision
Technology	4G
