About this item

- **AI-Powered Camera:** High-definition camera with AI capabilities for enhanced surveillance, including motion detection and real-time alerts.
- **Solar-Powered:** Equipped with efficient solar panels, ensuring continuous operation without the need for external power sources.
- **Street Lighting:** Integrated bright LED street lights provide ample illumination, enhancing visibility and security in outdoor areas.
- **All-in-One Design:** Combines surveillance and lighting in a single, compact, and easy-to-install unit.
- **Waterproof and Durable:** Built to withstand harsh weather conditions, ensuring long-lasting performance in outdoor environments.
